WORK:

- Part time lecturer in Entrepreneurship, Leadership and Governance and several other courses that are offered in The College of Human Resource Development (COHRED).
- Besides teaching she is also currently the Chairperson of Association of African Women for Research and Development (AAWORD). She a member of one the taskforces of Kenya's National Gender Sector Coordination Group that promotes leadership for women in all the aspects of the society. In 2016, she was recognized at TICAD 6 as a Youth mentor especially on navigating life's challenges and identifying entrepreneurial opportunities.

-

EDUCATION:

- Holds a PhD in Entrepreneurship and Gender from Jomo Kenyatta University of Agriculture and Technology (JKUAT)
- Training in entrepreneurship by Internal Labor Organization and was certified by UNCTAD in Gender and Trade in 2016

AGENDA:

- Working with the County leadership mainstreaming transparency within the county government structures for more accountability.
- Working with the County leadership to legislate with a view of strengthening communication structures for effectiveness of projects for and within the county
- Working with the County leadership towards a review of the working composition of the county to enable both levels of government to work cohesively, avoid duplication, ensure an inclusive and transparent reform process.
- Advocate for reforms in Programs like the Access To Government Procurement Opportunities (AGPO) that enables women youth and persons with disability to trade with government through the oversight role bestowed upon this important office.
- Strengthen relations and linkages at both levels of government, across the sectors through a deliberate process of localizing policies to benefit the locals
