About Kenya Women Parliamentary Association (KEWOPA)

The Kenya Women Parliamentary Association (KEWOPA) is a caucus of Women Parliamentarians in Kenya established and registered in 2001 under the Registrar of Societies. Its membership is drawn from the sitting women parliamentarians i.e. from the National Assembly (Single Constituency Members, County Women Members and nominated Women Members) and the Senate comprising of the elected and nominated women Senators. The current membership comprises of 23 Single Constituency Members, 47 County Women Members, 3 elected Women Senators, 6 Nominated Members of the National Assembly and 18 nominated Women Senators.

Project Description

Kenya Accountability & Inclusive Political Process (KAIP) is a one-year project funded by the Department for International Development (DFID) through the Development Alternatives Incorporated (DAI) and jointly implemented by the National Democratic Institute (NDI), Kenya Women Parliamentary Association (KEWOPA), Youth Agenda and Siasa Place.

The project’s overall objective is to strengthen the role of women Members of County Assembly (MCAs) in 10 counties by supporting them to create and/or develop caucuses and align the caucus structure, internal procedures and work practices with the needs of the MCAs and their representation, legislative and oversight roles.

Purpose of the Evaluation

The Evaluation is intended to assess the relevance, performance, management arrangements and success of the project. It will look at signs of potential impact of project activities on the performance of county assembly women caucuses in ten counties and the sustainability of results, including the contribution to capacity development.

The Evaluation will also identify and document lessons learned and make recommendations that project partners and stakeholders might use to improve the design and implementation of other related projects and programs.

DDP recommends the outcome harvesting approach for all end of project evaluations. Applicants need to demonstrate in their methodology how they will apply this approach to the evaluation.
